**Regulation: Intimation under Regulation 30 of SEBI LODR Regulations**

We are pleased to inform our valued stakeholders that Owais Metal and Mineral Processing Limited has successfully installed the new machinery for manufacturing of Wood Charcoal. These Automatic Charcoal Production machines will automate the process of production of charcoal and reduce the manufacturing cycle from 6 days to 1-day, automated machines will increase our efficiency and production.

Our company's current capacity is to manufacture 10,800 tons of wood charcoal annually. These Automatic Charcoal Production machines will enhance the current capacity with additional 24,000 tons per annum, making a total installed capacity of 34,800 tons annually.

Our company has commenced the commercial production of Automatic Charcoal Production machines at its manufacturing unit in Madhya Pradesh and Rajasthan.

We extend our sincere appreciation for the unwavering support of our stakeholders and look forward to sharing further positive developments.

Thank you for your continued trust and confidence in our journey.

Yours sincerely,

**For Owais Metal and Mineral Processing Limited**
